

Tax-free Retirement Workshop featuring Patrick Kelly

Allianz Life Insurance Company of North America

We have teamed up with Allianz to bring you a special workshop featuring guest speaker, Patrick Kelly (CLU, ChFC), author of *Tax-Free Retirement*. Join us at the Allianz home office in Minneapolis, MN for this information-packed event.

During this full-day event you will learn:

- New marketing techniques to grow your business and increase your revenue
- How to supplement retirement with tax-free income
- How your clients can help make the most of their retirement dollars

You can easily communicate these concepts to your clients to help them understand how life insurance can provide the death benefit protection they need and play a valuable role in their retirement strategy.

Join the thousands who have learned from Patrick and have grown their businesses using his insights. For more information on Patrick and his book, go to www.TaxFreeBook.com.
